Cross-Cultural Differences in Personal Travel in Singapore

30 min(s) to complete

Sincere Gratitude

Interview

Online

University of Exeter

This Skype/phone/face to face interview study of people living and/or working in London explores cross-cultural differences in personal travel (including transportation mode choice) and how it relates to our health and wellbeing. Your participation provides us with valuable insights into how we can improve our transport and wellbeing.

Please email or text the researcher if you're interested in participating in this study.
