CRiB study: Cognitive Remediation for Bipolar Disorder

6 month(s) to complete

£60

Feasibility study

King's College London, De
Crespigny Park, Camberwell,
London SE5 8AF, ??????? ???????

King's College London

We are investigating a new psychological therapy for people with bipolar disorder, called Cognitive Remediation Therapy (CRT), and are looking for volunteers to take part in a research study.

All information remains confidential and volunteers will receive £60 payment at the end of the study, to compensate for your time and travel expenses.

If you are interested, please contact us via email, or leave a message with your name
