

Call For Participants

Attitudes to sex and sexual relationships between men and women

20 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

Middlesex University

I am a postgraduate student at Middlesex University in London, and I am looking for participants for my cross-cultural study (UK and Romania).

This study aims to investigate people's attitudes to sex. This means that we are interested in finding out how people view sex and sexual relationships.

We will be comparing the differences in the responses of UK and Romanian people, as well as differences between females and males.
