Group hypnosis research study
at Goldsmiths - get paid £10

1.5 hour(s) to complete

£10

Experiment

London SE14 6NW, UK

Goldsmiths University of London

We would like to invite you to take part in our research study on hypnosis. The purpose of this study is to measure responsiveness to hypnosis (hypnotizability). It will involve a relaxation-based hypnotic induction and a set of suggestions for minor perceptual alterations from a standardized measure of hypnotizability that has been used with thousands of people. Nothing embarrassing will be done. The entire session will take approximately 1 hour and 30 minutes and you will be compensated...
