

Call For Participants

Health study: Smokers, Vapers & Heat-not-burn users needed!

50 min(s) to complete

£20 Amazon voucher (per session) + up to £5 cash travel reimbursement (if receipt provided)

Experiment

Online

University College London

We want to investigate the possible health effects of using novel nicotine and tobacco-containing products, i.e. e-cigarettes and heat-not-burn (IQOS), compared with smoking conventional cigarettes. To do this, we want to assess what potentially harmful chemicals enter the bodies of people using these products compared with those not using these products.
