Argument Analysis for the BBC

Online

University of Dundee

The Centre for Argument Technology ([arg-tech.org](http://arg-tech.org)) at the University of Dundee is building an application suite that will be released on the BBC website and connect to BBC radio and TV programming in October. As a part of this work, we are looking to recruit an Argument Analysis Team. If you have a few hours spare to during September and October and are interested in working on high profile, cutting-edge research in artificial intelligence tools for debate and controversy, this could be for...
