Want find out  
your health? Join our almond  
snack study, £100

8 week(s) to complete

£100

Experiment

Stamford St, London SE1, UK

King's College London

We need volunteers aged 30-70y who eat two or more snacks per day to help us understand the health effects of consuming almond nuts in place of usual snack products. The study will involve 6 visits (the 1st to check you meet criteria and explain the study) to King's College London-Waterloo Campus/St Thomas's hospital, small blood samples, some body measurements, food diaries and for those eligible/willing an MRI and stool sample. You will be provided with almonds and or control...
