What is the 5G network in your life?

2 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

Coventry University

In this research, I will focus on exploring what are the defaults that facing UK's telecommunication companies to adapt the 5th generation of the telephone network (5G). As there are some studies said that this type of network has an impact on human and animal health, even it could affect the safety of aeroplane's journeys.
