

# Call For Participan

Perinatal stress and brain  
development

3 hour(s) to complete

You will receive detailed images  
of your baby's brain before and  
after birth

Brain Imaging

London SE1 7EH, UK

King's College London

I am a researcher at St Thomas' Hospital and we are inviting pregnant women who live in London and are experiencing low mood to take part in our study. As part of this, we are offering additional scan(s) during pregnancy to look at the baby's brain development. Please share this with your friends! Thank you!
