How does environment affect how we speak? - £14 for a study about language

2 hour(s) to complete

£14 cash

Experiment

Gower St, Bloomsbury, London
WC1E 6BT, UK

University College London

COVID-19: Due to the current emergency, this study is temporarily on hold, with a view to resume in June or later. If you are interested, please still click 'take part' and we will contact you when the study resumes.

In this study you will earn £14 for a two-hour study about speech communication. We are investigating how the way we speak is affected by different environments. The study involves solving a puzzle with a partner at different levels of difficulty, which will be audio...
