How does environment affect how we speak? - £14 for a study about language

2 hour(s) to complete

£14 cash

Experiment

University College London,
Gower St, Kings Cross, London
WC1E 6BT, UK

University College London

In this study you will earn £14 for a two-hour study about speech communication. We are investigating how the way we speak is affected by different environments. The study involves solving a puzzle with a partner at different levels of difficulty, which will be audio recorded.
