

Call For Participants

Do you eat too much
chocolate?

5 hour(s) to complete

cash £70 (£60 + £10 for online
follow up questionnaire, via
BACS)

Online Questionnaire

Online

University College London

We are looking for males and females aged 18-45 who would like to cut down on the amount of chocolate they eat. We are looking at the effect of rapamycin (an immunosuppressant) on the neurochemistry of learning and memory related to eating chocolate.
