Experiences of sibling
aggression in childhood

30 min(s) to complete

£5 Amazon Voucher

Questionnaire & Experiment

The Curzon Building,
Birmingham B4, UK

Birmingham City University

Did you fight with your sibling as a child?
Are you over 18?

We are currently conducting a study at
Birmingham City University investigating the
role of experiences of sibling aggression
during childhood in decision making in
adulthood.

You will be required to come into the
psychology department at Birmingham City
University (Birmingham city centre) to take
part. The study will take less than 30 mins
