

Call For Participants

Diversity of responses during
the COVID-19 pandemic.

20 min(s) to complete

£1000 prize draw!! 3 prizes (£500
£300 and £200)

Online Questionnaire

Online

University of Surrey

The present study aims to investigate how people's perceptions of the COVID-19 pandemic vary, in comparison to other hypothetical situations. We are also interested in the diversity of people's reactions to their current circumstances. As such, we would like to know more about your recent thoughts, feelings and behaviours.

By completing the study you may enter a £1000 prize draw. The survey should take 15-20 minutes if done with care.
