Sense of Self Questionnaire

20 min(s) to complete

Prize draw for one of two AU\$50
Amazon vouchers (and eternal
gratitude)

Online Questionnaire

Online

Curtin University

Who are you really? This survey will ask
you questions that get you thinking and
wondering!

The project aims to identify clusters of
thoughts, feelings, and behaviours, that may
be associated with difficulties with engaging
in psychotherapy. The value of a
questionnaire like this is in helping mental
health professionals to address any risk
factors that may lead to challenges a
therapist and client might face during
therapy.
