

Call For Participants

The role of influence in family ethical food decision-making in the UK

2 hour(s) to complete

Ethical food shopping voucher of £30

interaction experiment and interviews

Online

Middlesex University

I'm a doctoral researcher and I am recruiting ethical food consumers in the UK for a study on family decision-making on ethical foods. This study seeks to understand family ethical food decision-making. The study involves one appointment of interactive experiment and interviews lasting 3 hours. Visits will take place on weekends at participant's home. To compensate for your time you will receive £30 ethical food voucher
