The effects of nitrous oxide on thoughts and feelings in healthy people

2 hour(s) to complete

£20 cash

Experiment

1-19 Torrington Pl, Fitzrovia,
London WC1E 7HB, UK

University College London

You would be asked to complete a brief online and telephone screening. If eligible, you would come to UCL on one occasion. As part of the study you will be completing a series of questionnaires, inhaling either nitrous oxide or medical air, repeating some questionnaires during inhalation, and completing a final set of questionnaires after inhalation stops.
