

# Call For Participants

Exploring student drinking experiences and the transition to university

60 min(s) to complete

Sincere Gratitude

Interview

All Saints Building, All Saints,  
Manchester M15 6BH, UK

Manchester Metropolitan University

The aim of the study is to hear students' stories about their experiences of drinking, reasons for drinking prior to coming to university and to find out more about the experience of coming to university and how it relates to drinking motivations. The study involves a one hour 1:1 informal, unstructured interview during which participants are encouraged to talk freely about their experiences. There is also the potential for a second follow up interview.
