

Call For Participants

Pain and Blood Pressure -
MALE participants & 30 years
or older

4 hour(s) to complete

£25

Experiment

St Michael's Hill, Bristol BS2 8DX
UK

University of Bristol

This study is looking for healthy male volunteers ~30-75 years of age to take part at the Clinical Research and Imaging Centre.

The study involves:

- 1 microneurography study visit where we will record sympathetic activity from the nerve in your leg using an acupuncture sized electrode (3-4 hours)
- A 24 hour blood pressure monitor

You will be asked to perform 3 tasks: 1) isometric handgrip, 2) Pain ratings for 30sec
