

Call For Participants

Deontic Concepts and their Logical Interrelations

6 min(s) to complete

Sincere Gratitude

Experiment

Online

Queen's University Belfast

This experiment is a psychological investigation into people's appreciation of deontic concepts and their logical interrelations. It is part of a research Ph.D. on the development of human deontic reasoning. The development of this important type of reasoning is poorly understood, thus I would encourage people to participate.
