Reshaping architect-client
relationship

10 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

Glasgow School of Art

This research has an objective of offering a critique (understood as 'a detailed analysis and assessment of something') on reshaping architect-client relationship. It will suggest there has always been an immediate need to introduce real-world client interaction in architectural education, and that with the advent of digital technologies, the possibility of fulfilling this need now is much easier than ever before.
