

Call For Participants

Cannabis vaporisation study for healthy volunteers

16 hour(s) to complete

£150 + travel + task performance bonus (~£25)

Pharmacological MRI Experiment

Shepherd's Bush, London W12 0NN, UK

University College London

We are conducting an imaging study looking into the acute effects of cannabis. We are looking for people aged 16-17 and 26-29. Overall, you will get paid £150 + travel + extra bonuses for task performance (~£25).

There are 4 sessions, spaced over a 4-8 week period, held at UCL and Hammersmith Hospital.

The sessions at Hammersmith Hospital will involve active administration of vaporised cannabis or an inactive placebo. Every
