

Call For Participants

How would a mental health diagnosis affect how others' see you?

12 min(s) to complete

University of Bath

Would a mental health problem affect how others see you?

Sincere Gratitude

We are recruiting a large number of people to help answer this question. If you take part, you will complete a brief online questionnaire about the stereotypes you think others could have about you if you had a diagnosis.

Online Questionnaire

Online

Your participation will help develop a new tool to measure stereotypes and could help us understand how stereotypes affect how
