Gender Differences in Perceptions of Workplace Sexual Harassment

10 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

City University London

Workplace sexual harassment is a worldwide issue faced by many individuals. However, the understanding of what constitutes as sexual harassment differs between genders. The purpose of this research is to examine gender differences in the understanding of sexual harassment among university students.

Taking part will involve you completing an online survey. The survey will ask you to respond on a scale to a variety of scenarios. The survey should take you no more than 10 minutes to complete.
