

Call For Participants

Eye-Tracking Study

45 min(s) to complete

Cash £5

Experiment

Nottingham NG7 2RD, UK

University of Nottingham

In this experiment you will be shown images and asked to press a button as soon as you see the target. During the experiment movement of your eyes will be tracked by a special video camera.

The study will last about 30-45 minutes for which you will receive £5 to compensate for your time.

The study will take place in the School of Psychology, University Park Campus, University of Nottingham.
