

# Call For Participants

Effect of Mnemonics on recall of French vocabulary as a Foreign Language

45 min(s) to complete

£15

Experiment

Inner Cir, London NW1 4NS, UK

Regent's University London

Interested in finding new strategies to improve your memory, learn some French, and make £15 at the same time?

Participants are needed for a Regent's University London study exploring the effect of mnemonics on memory.

Part one of the two-part study will be held at Regent's University London, across Regent's Park (nearest tube station Baker Street) and is approx. 30 to 45 mins long. Part two will take approx. 10 mins and can either be taken at the university or via...
