

Call For Participants

Experiences of Bicultural Individuals

10 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

Goldsmiths University of London

We are looking for participants who have either moved to a culture that is different from their heritage culture (international migrants), or are bicultural individuals who have an ethnic/cultural background that is different from the mainstream culture that they have lived in since birth. We are interested in how these experiences affect your life.

Please only complete this survey if you match the criteria.
