

Call For Participants

Online Program Helping
Parents to Reduce Adolescent
Anxiety and Depression

2 hour(s) to complete

Sincere Gratitude

Interview

Online

Monash University

We are seeking parents and legal guardians of teenage children to help us develop content for a therapist-assisted online parenting program. You will be given access to an online program, and then asked to give feedback via a 30 minute telephone interview. The knowledge gained in this research ultimately aims to reduce mental health problems in the community.
