

Call For Participants

Share your experiences of
unexpected yet fortunate
professional encounters

10 min(s) to complete

iPad mini 2 and two
Amazon-vouchers (50 €/€ each)
will be raffled among the
respondents.

Online Questionnaire

Online

Tampere University of Technology / Tampereen
teknillinen yliopisto

Unexpected but fortunate encounters
between strangers happen all the time in
professional life. These are so called
serendipitous encounters or chance
encounters. Such moments might lead to
successful collaboration, exchange of ideas,
new business, inspiration, friendships, etc.
Do you have your own story to tell? The
survey is conducted as part of a research
project on designing intelligent matchmaking
systems to increase serendipity and
innovation in knowledge work.
