Improving Television Sound

20 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

University of Salford

Want to tell us about your experiences understanding speech on TV?

This survey will ask about your experiences with TV audio as well as how much TV you watch, what type of content you watch and your hearing needs. The results from this will help the University of Salford develop methods to improve the clarity of TV speech for different groups, including Hard of Hearing listeners.

At the end of the survey you will be able to
