

Call For Participants

Up and down - listen to speakers and rate them.

25 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

Bangor University

For this study, we need adult (18+) native English speakers who have lived in the UK for most of their lives. Participants listen to eight different speakers and rate them. Participants also provide some information about themselves. All that is needed to participate is a computer with sound and a quiet enough environment to listen to the speakers.
