How the ability to visualise
affects emotions and
creativity

30 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

University of Southampton

Hello!

We are looking for individuals (18 years old and above) who have been in a relationship for at least 4 months to participate in this online study that will examine how the ability to visualise influences one's emotions and creativity in the context of relationships.

This study begins with a 10 minute visualisation writing task followed by a series of questionnaires. The study should not take longer than 30 minutes to complete.
