

Call For Participants

Arab international students'
experiences of studying in a
UK university

60 min(s) to complete

Sincere Gratitude

Interview

Online

Keele University

In this study I am inviting Arab international students from the Middle East to share their experiences of studying in the UK through an interview, and photographs of your time in the UK (no selfies or pictures of people required.)

There is little published research into the experiences of the 29,000 students from the Middle East who are studying at universities in the UK
