Understanding teacher presence and pacing in online presentations

20 min(s) to complete

£5 Amazon Voucher

Interview

Online

University of Nottingham

I am a PhD student, at the University of Nottingham, looking at the impact of teacher presence and content pacing in online presentations. This study will involve a semi-structured interview that takes between 20 to 30 minutes. Questions will centre on how students interact with online presentations, their preference in style and their opinion of engagement. Interviews can take place over Skype and participants will be compensated with a £5 Amazon voucher.
