## Exploring non-social cognition

40 min(s) to complete

£10 cash plus reasonable  
travel/accommodation expenses  
from within the UK

Online Questionnaire,  
experiment, computer-based  
tasks

Online

University of Bath

We are studying the relationship between the social and non-social aspects of cognition. We use questionnaires and some computer based tasks to see how people process and respond to non-social objects, the objects they are especially interested in, and social things such as faces.
