Dancing with Strangers

25 min(s) to complete

Cash £10

Experiment

Uxbridge UB8, UK

Brunel University

We are examining the effects of dancing with another person you haven't met before. The study has been designed to be fun and fast, you will be required to play two rounds of the dance mat game "Step Mania", wear a pressure cuff for approximately 15 seconds and answer some questionnaires. In total it will take 30 minutes and you will be paid £10 for your time. the study is taking place on Brunel University campus (Uxbridge)
