Experiment

1-19 Torrington Pl, Fitzrovia,
London WC1E 7HB, UK

University College London

We are looking for men and women, aged 18-24, who binge on food 1+ times per month and experience a sense of loss-of-control when bingeing, but are otherwise generally well. This psychological research will be conducted at University College London's Clinical Psychopharmacology Unit.

You will need to attend 3 sessions over ~2 weeks, and receive payment of £65, with £5 for each online follow-up, for a total payment of £85.
