

Call For Participants

Participants Needed for Paid Research Studies

30 min(s) to complete

Prize draw

Experiment

Online

City University London

We recently created a free UK mobile app called WeParticipated that helps people interested in taking part in cool and rewarding research studies, to find and sign up to these studies! These studies can be either in-person or online and are taking place all over the UK.

We currently have several research studies on the platform that are actively searching for participants like yourself, to sign up and participate!
