Women abused by female partners

1 hour(s) to complete

Sincere Gratitude

Interview

Online

University of Bristol

This study is looking at the experiences and needs of women abused by same sex partners. I'm particularly keen to talk to BME women, older women, disabled women, trans and other non-binary gender women, bi/pansexual women, and religious women.

The study takes place entirely online, as a small group discussion based on a short film.
