Hazard perception study for learner drivers

60 min(s) to complete

£10 Amazon voucher

Experiment

Nottingham Trent University

This study is part of a project which aims to develop a new training and assessment tool for hazard perception. It takes place at Nottingham Trent University in Nottingham city centre. It consists of four 10-minute video based driving tasks and a few short questionnaires. Participants receive a £10 Amazon Voucher for their time.

Taylor Building, 28 Chaucer St,
Nottingham NG1, UK
