

Call For Participants

What does gathering from the seashore in Wales mean to you?

20 min(s) to complete

A better appreciation of what gathering from the seashore means to you. And sincere...

Online Questionnaire

Online

Bangor University

Do you gather anything living from the seashore in Wales?

If you do, have a go at my online survey on what collecting from the shoreline really means to you..

From laver to lobsters, cockles to crabs. For reasons ranging from well-being to wallets. If you think you 'only' collect for food, bait, research or money. I reckon my survey will make you think twice about why you really go out on the beach in the pouring rain!
