

Call For Participants

Maternal Postpartum Experiences

10 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

Benedictine University

This survey focuses on understanding maternal experiences in the postpartum period. We are looking for moms to participate who have a new baby between 6 weeks and 6 months of age. If this describes you, would you please consider participating in our survey? The questions cover a range of topics, including demographic information, infant feeding, mental health, family planning, sleep behaviors, and healthcare delivery.
