University of Sheffield

We are investigating the role of self-perceptions in adjustment to multiple sclerosis (MS). By following the link, you will be asked to complete a questionnaire about these topics. The study consists of two parts; you will be asked to complete the second part six weeks after the first part. Each part should take no longer than 20 minutes to complete. After the second questionnaire, you will be entered into a prize draw to win a £50 (or equivalent currency) Amazon voucher.
