iOS App study on icon
arrangements

15 min(s) to complete

20£ Amazon Voucher Prize draw

Experiment

Online

University College London

How can App icons be arranged to find them faster on your home screen?

** Take part in this study and get the chance to win one of five 20£ Amazon vouchers. **

Help to investigate how icon color, position and layout impact search performance and learning.

Features

- take part in a visual search study at UCL
- see your results on a dashboard
