Investigating the Effectiveness of Missing Children Photograph Appeals

10 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

University of Huddersfield

The online research study aims to examine the effectiveness of the missing children photograph publicity appeals.

You will be asked to take part in a short online experiment that should take approximately 10-15 minutes of your time to complete.

For the experiment, you will be presented with missing children photographs and asked to recall, from a short photograph line-up, which of these individuals, if any,
