

# Call For Participants

## The Links Between Violence to Animals and Human Violence

20 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

Northumbria University

Members of the public are invited to participate in a survey run by researchers from Middlesex University and Northumbria University who are currently conducting a research study into the links between animal abuse (violence, hurt or harm towards animals) and human violence. In particular; the research examines the extent to which exposure towards animal abuse is an indicator of, or a factor in causing, subsequent human violence.
