Prevention of Type 2 Diabetes: Exploring Perception of Risk

25 min(s) to complete

Liverpool John Moores University

Do you know your diabetes risk?

Sincere Gratitude

Diabetes can affect anyone. If you don't have diabetes- do you know your risk of getting a diagnosis and what you can do to reduce your risk? Have you ever considered finding out about diabetes risk?

Online Questionnaire

Diabetes is the fastest growing health threat of our times. There is an estimated 4.5 million people with Diabetes in the UK and each year this figure is increasing. We want to look into what people actually know about
