

Call For Participants

Social media use in the
modern workplace

10 min(s) to complete

Sincere gratitude for your
contribution to the research
literature and my own
dissertation.

Online Questionnaire

Online

University College Cork

The study is concerned with the use of social media (blogs, social networking sites, collaborative projects, and content communities) to build relationships and social capital. The results of the current study will be a valuable addition to the research base on virtual teams that aims to serve as an aide to practitioners that hope to make the work environment a better, friendlier, and collaborative place to work.
