

# Call For Participants

Social media use and  
personality traits

15 min(s) to complete

Prize draw

Online Questionnaire

Online

Goldsmiths University of London

We are looking at how different personality traits affect the way we interact on social media. This is a quick 15 minute survey with a few personality measures and tasks that is part of this broader project, and participants can enter themselves into a prize raffle for a chance to win one of five £20 Amazon vouchers.
