

Call For Participants

Cognitive training study

2 hour(s) to complete

£20

Experiment

Alexandra House, 17 Queen Square, Bloomsbury, London WC1N 3AR, UK

University College London

We are looking for healthy participants, aged 18-60, with no history of neurological/psychiatric illness. Participants will be paid £20 for completing the experiment.

You will be asked to attend the lab for two testing sessions of 1 hour, seven days apart, during which you will complete some simple cognitive tasks. Between the two sessions, you will carry out daily practice (~4 minutes/day) of one of the tasks - this can be done at home, using an online platform.
